CAREER AND PROFESSIONAL GOALS

I'm **ambitious** and a **fast learner**, always prioritizing **clear communication** and making sure I fully understand others. **Reliability** and **meeting deadlines** are my top priorities when it comes to work.

I have experience in software development using **C#**, **Visual Basic**, and **.NET**, including frameworks like **WPF**, **Windows Forms**, and **ASP.NET**. I also have hands-on experience with databases, particularly **SQL**, **T-SQL**, and **Microsoft SQL Server**. On the front-end side, I'm familiar with **Vue.js** for building user-friendly web interfaces.

I'm fluent in **English** and highly motivated to **keep growing** my programming skills and **gain experience** by working on a variety of projects.
